THANK YOU for Supporting
The Marblehead High School
Class of 2020 Junior Auction
Message & Sincere Thank You from the Junior Class

Welcome to the Junior Class Auction!

Thank you so much for attending and supporting the Class of 2020!

We would like to extend our sincerest gratitude to everyone who helped make this night a success. Living in a supportive community of families, teachers, classmates and local businesses all willing to donate their time and services to help us reach our goal has truly been a rewarding experience. The success of this auction depended on the collaboration of Marblehead High School and our generous and hard-working community. We are excited and incredibly proud to see everyone’s efforts come together.

We would like to extend our thanks and appreciation to Mr. Bauer, the administration, and staff of Marblehead High School for helping us through this journey.

Thank you very much to our class advisor, Mr. Zalanowski. He has been a vital source of support and guidance throughout this process and has always been there for the Class of 2020. To our classmates who helped spread the word about the auction, gathered many of the wonderful donations and spent time out of their busy schedules, we thank you.

We would also like to extend our thanks to the Salem Waterfront Hotel for providing us a wonderful venue and Hooper Goodwin, our auctioneer who brings a great local flair to the bidding process. This event could not be successful without their generosity.

To all the many businesses that so generously provided donations and support, we are sincerely grateful and will always be proud to “shop local.” Finally, we want to thank our parents and all the parents who stepped up to volunteer to make this auction a reality. This auction would not be happening without their time and sincere efforts to make this one of the best class auctions yet.

We look forward to all the senior year activities we will enjoy with our classmates as a direct result of the success of the Junior Class Auction.

Sincerely,

Reid Tully, President
Bryn Burton, Vice President
Anders Kearney, Treasurer
Leah Veprek, Secretary
