Owner Responsibility and Initials

I understand that it is my responsibility to notify my Fleet Handicapper or PHRFNE Certificate Processor of changes to the yacht which affect measurement points, handicap adjustments, or would alter her from a standard boat. All standard doors and tables must remain on board.

I acknowledge it is the responsibility of each owner or skipper to determine that the yacht is adequately equipped and maintained for ocean racing and assume liability. I certify that the information I have provided on this form is accurate.
